# About NAHN

The National Association of Hispanic Nurses is a nonprofit organization devoted to ensuring high-quality health care delivery to Hispanic communities and promoting professional excellence among bilingual and bicultural nurses.

Since 1975, NAHN has been the nation's leading professional society for Latino nurses. With **more than 40 chapters** and **over 1800 members**, NAHN brings together nurses, health care professionals, administrators, students, and academic leaders from across the US and beyond.
